

Sure Grip Brake Pedals

by: Effectus AeroProducts Inc.

\$199 / Pair

- * All stainless TIG welded construction.
- * Replaceable Treads are high quality rubber.
- * Exact fit in place of Van's pedals.
- * Pedals align at the top when the hoops are aligned at the bottom.
- * Uses existing hardware.
- * You drill the master cylinder attach holes for perfect alignment.
- * When feet are on the bottom tread there is no way to apply brake.
- * Saves on tire wear.
- * Provides additional safety margin.
- * 2.5 lbs. per pair.
