

Boone RV Day!!

June 18th 2005

Please RSVP at: www.ClevelandTool.com/rvday.htm

Join us Saturday June 18th for the Boone Iowa RV Fly-In

See completed RVs.

See projects in process all in one hangar including...

Three RV7s at the empennage stage, wing stage, and fuselage stage.

An RV8 in the wing stage.

Three RV9s, two are quick builds.

And three RV10s at the emp, wing and fuse stage, one is a quick build.

Share your thoughts and questions with other RV builders.

Listen to presentations on RV related topics.

Coffee & Donuts in the morning

BBQ Pork Sandwiches at Noon

Planned Presentations Include:

“Planning For The Interior”

“Wiring Aircraft Systems”

“The Builder’s Wife” - Presented for the Ladies
